

## Processing cane:

- Barton GSP Cane
  - <https://www.bartoncane.com/>
- Weiat Beveling Tool
  - <https://www.weaitmusic.com/store/p4/BevelingToolWithSandingChannel.html>
- Multi Blade Scoring Tool
  - <https://ottercreekdoublereeds.com/shop/ols/products/7-blade-bassoon-cane-scoring-tool>
- Razor Blade or X-Acto Knife
  - Can be purchased at any hardware store.
- Easel
  - I created my own easel using 1” diameter dowel rod cut into 6” pieces. Easels can be purchased online too.
- Holding Mandrel
  - <https://ottercreekdoublereeds.com/shop/ols/products/bassoon-holding-mandrel-short-pin>

## Forming Blanks:

- KJI Drying Rack with Removable Pins and Mandrel Handle
  - <https://millermarketingco.com/product/kji-reed-making-system-drying-boards/>
    - Option: 10 pin forming set
- 22 Gauge Brass Wire
  - <https://millermarketingco.com/product/miller-pro-soft-brass-wire-22/>

- Miller Pro Pliers
  - <https://millermarketingco.com/product/miller-pro-pliers/>

### **Finishing Reeds:**

- Spiral Reamer
  - <https://ottercreekdoublereeds.com/shop/ols/products/bassoon-spiral-reamer>
- Diamond Reamer
  - <https://millermarketingco.com/product/2xreed-bassoon-diamond-reamer/>
- Grobet Medium Grit Triangle Diamond File
  - <https://www.mmimports.com/product/triangular-diamond-file-126-grit/>
- Rigotti Beveled Knife
  - <https://www.mmimports.com/product/rigotti-beveled-knife/>
- Cutting Block
  - Not a necessary item but can be purchased. I recommend cutting a piece of the 1” diameter dowel into a 1” thick piece to use as a cutting block.
- Rieger Tip Cutter
  - <https://millermarketingco.com/product/georg-rieger-bassoon-contrabassoon-tip-cutter-red>
- 2X Reed End Nippers
  - <https://millermarketingco.com/product/2xreed-end-nippers-tip-cutter/>
- Holding Mandrel
  - <https://ottercreekdoublereeds.com/shop/ols/products/bassoon-holding-mandrel-short-pin>

- 320 Grit Sandpaper
  - Can be purchased from any hardware store.
- Metal Contra Plaque
  - <https://www.mmimports.com/product/fox-contrabassoon-metal-arrow-plaque/>
